Certified Crop Adviser Exam Preparation

Online and In-Person Opportunities

**Shelby County Ag Building
810-820 Fair Rd
Sidney, OH 45365**

**January 12-13, 2022
\$250/person**

Ohio State University Extension is offering exam preparation classes for individuals looking to take the Certified Crop Adviser (CCA) exam. The in-person training will take place on January 12-13, 2022 at the Shelby County Ag Building. Cost for the in-person program is \$250/person and includes publications, lunch both days, and course materials. Class size is limited to 25 people and registration ends December 20, 2021.

We will provide at the program the following publications in addition to the lectures:

- Ohio Agronomy Guide
- Ohio, Indiana & Illinois Weed Control Guide
- The Ohio Corn, Soybean, Wheat and Forages Field Guide
- Tri-State Fertility Recommendations and recent updates
- Modern Corn & Soybean Production
- Many handouts, and access to all digital content

Meals, snacks, water and coffee will be provided at the site. If you have meal restrictions contact course contact listed below.

Registration for both options can be made through the Ohio AgriBusiness Association website here: <https://go.osu.edu/cca2022>.

Course Contact Lee Beers at beers.66@osu.edu or call 330-638-6783.
