

Cover Crop Driving Tour

Drive yourself to three different fields to view cover crops planted in August. The farmers will be on hand to answer questions and discuss challenges and opportunities in using cover crops. Refreshments will be served at each location. No cost to attend. Total drive time is just under 30 minutes and farms can be visited in any order.

THURSDAY, SEPTEMBER 17, 5 – 8 PM

Field Locations

Hosted by Jack Sommers: Hoffman Farm, Hammond Rd, Cable near Mingo

Hosted by Tom Smith: 2684 Mt. Tabor Rd., West Liberty
