# Wyandot Agronomy Day

Private Pesticide Applicator Re-Certification & Commercial Fertilizer Application Certification

## Registration Form

Thursday, January 21, 2016  
Wyandot County Fairgrounds Masters Building  
10171 State Route 53. Upper Sandusky, Ohio 43351

Due to Ohio's new legislation, any producer who applies commercial fertilizer to 50 or more acres must be certified by no later than September 30, 2017. Attending this program will complete your certification.

The program with lunch and refreshments is sponsored by Crop Production Services and Heritage Cooperative. Additional fee of \$50.00 for Private Pesticide Applicator Certification credits which includes an educational bulletin. There are no additional fees for Certified Crop Advisor Credits and Fertilizer Certification. More information can be obtained by contacting Jason Hartschuh at the Crawford County Extension office. (419) 562-8731

**Pre-registration is required by January 14, 2016.**

Registration: Credit Card online: <http://pested.osu.edu/>
