CFAES

THE OHIO STATE UNIVERSITY EXTENSION WATER QUALITY TEAM PRESENTS

Certified Livestock Management (CLM) Webinar Series 2025

1st MONDAY of every other month

FEBRUARY 3

APRIL 7

JUNE 2

AUGUST 4

OCTOBER 6

DECEMBER 1

10:00 a.m.– 11:30 a.m.

The OSU Extension Water Quality Team is working with the Ohio Department of Agriculture to kick off a bi-monthly, year-round webinar series. These webinars will cover topics relevant to Certified Livestock Managers, as well as Certified Crop Advisers. Each webinar will be recorded and posted to the OSU Agronomy Team's YouTube Channel for later viewing.

Following the presentation, each webinar will provide an avenue for audience members to ask questions of our unique panel of speakers for that day's event. Each webinar will provide 1.5 CLM continuing education credits as well as 1.5 credit hours for CCAs. We hope these webinars will offer useful information and create a space for communication between all parties involved.

To register for one webinar or the entire series, visit go.osu.edu/CLM.

If you have any questions regarding this webinar series, please contact the OSU Water Quality Team via email at waterqualityassociates@osu.edu.
